YOUTH NEWS

3 December 2011

Report by Jerry Adams

Nine young men and one young lady, along with their leaders enjoyed shooting trap at the Club.

The day was beautiful, crisp, with a clear blue sky and little wind.

After a few minutes of practice, each youth got to shoot two full rounds of trap! Several of the youth had been up last month, and some impressive scores were rung up, with one young man hitting two small pieces of birds that broke when thrown!

Suffice it to say that everyone had a great time - especially the instructors who voted this one of the best Youth Events to date.
