WINCHESTER CANYON GUN CLUB RANGE RULES

- 1. The RANGEMASTER and TRAPMASTER have ABSOLUTE AND FINAL AUTHORITY OVER THE RANGES AND FIELDS, AND MAY EXPEL ANYONE AT THEIR SOLE DISCRETION.** Safety is our highest priority. Anyone who sees a violation of these Range Rules or any unsafe activity should inform the Rangemaster or Trapmaster immediately. If neither is available, the person seeing the problem has the responsibility and authority to correct the violation as quickly as safety permits. Safety is EVERYONE's responsibility.
- 2. All shooters MUST sign a disclaimer** prior to any shooting on the ranges during open-to-the-PUBLIC operating hours. This includes all events. Adults must sign a disclaimer for all minors that they accompany.
- 3. Minors under the age of 18 MUST** be under the direct control and immediate close supervision of a responsible accompanying adult at all times on any range. **IN ADDITION**, in order to shoot a handgun at WCGC, a person under 18 MUST be under the direct control of a parent or legal guardian, or have the written permission of a parent or legal guardian. WCGC employees will NOT act as an accompanying adult.
- 4. Instruction.** A certified firearms instructor approved by the Board **MUST** be present whenever live fire instruction is given at any Club sponsored event.
- 5. BOTH EYE AND HEARING PROTECTION ARE MANDATORY** for anyone on or nearby any Range or firing line.
- 6. Use only handguns on the Handgun Range, rifles on the Rifle Range, and only shotguns on the Trap and Skeet Fields.** Handguns and shotguns are permitted on the 200 yard range IF REQUIRED DURING A BOARD APPROVED EVENT. .22 rimfire rifles are permitted on the handgun range or rifle range. Class III firearms are permitted only for board-approved events such as Law Enforcement training. Firing modern rifles chambered for caliber .50 BMG and larger is prohibited. This prohibition does not apply to handguns, muzzle loading firearms or rifles chambered for one of the early black powder cartridges.
- 7. Point muzzles in a safe direction.** When not on the firing line, all firearms will be unloaded, with action open and muzzle pointed in a safe direction (usually pointed down on the shotgun fields and up on rifle and handgun ranges). Rifles not in use will be completely unloaded, with actions open and racked or cased. Unused handguns will be completely unloaded, with actions open, and placed on a bench or cased. Leaving the range area with a holstered handgun may be allowed at the discretion of the Rangemaster. At no time will a firearm be loaded except when shooting on the firing line or on command during a match or event. Drawing and firing a handgun from a holster is allowed only if required by the certified instructor or event chair.
- 8. Targets.** It is prohibited to shoot at structures, walls, exploding targets, glass, rocks, hard flat surfaces, or trash. Do NOT place targets where they may cause rounds to "skip" out of the range boundaries. Use only paper targets, posted on properly constructed frames or the range-supplied metal gongs on the handgun range. Board authorized events may feature other targets including, metallic silhouettes, bowling pins and falling steel plates. Only bio-degradable clay targets are allowed on the shotgun fields.
- 9. Aimed fire only.** Poorly aimed rapid fire (Spray and Pray) is prohibited on all ranges at all times.
- 10. Stay behind the firing line.** No one shall go forward of the rifle or handgun bay pads or shotgun shooting stations for any reason while the range is live. The range or field must be closed and the red flag properly posted in front of the firing lines before going downrange.
- 11. Cease fires.** When a cease fire is called, all firearms must be completely unloaded, actions must be opened, rifles must be placed in a rack, and handguns must be placed on a bench or in a case. **Handling of firearms is absolutely forbidden for any reason whenever anyone is forward of the firing line.**
- 12. Use of the club by members:** The club is closed to all shooting on the equinoxes, solstices, and board-approved Native American ceremonial days. Use of the ranges by members and their guest(s) is allowed on all other days from sunrise to sunset. Members must be present with their guest(s). Lending WCGC membership cards or gate combinations is prohibited. Gates shall be kept locked except when the ranges are open to the general public. Only Board authorized personnel may open containers, or club buildings.
- 13. Use of the 200 yard range is restricted.** During public hours of operation, access to the 200 yard range is limited to board authorized events and under control of the Rangemaster with coordination of the event chair. Individual shooters may be allowed to use the 200 yard range at the sole discretion of the Rangemaster. During member-only hours when not open to the general public, members who wish to use the 200 yard range must first set the sign at the handgun range to indicate that the 200 yard range is in use. Whenever the 200 yard range is in use, no person on either the 200 yard range or the handgun range may proceed past their respective 50 yard target lines until a mutual cease fire has been established. The mutual cease fire may be accomplished by any reliable method of communication. The last shooter leaving the 200 yard range must stop and change the sign on the handgun range indicating that the 200 yard range is no longer in use.
- 14. Clean-up.** Leave the range in better condition than you found it. Clean up brass, empty shells, and targets. Put unfired or DUD rounds in the appropriate containers or take them with you. Do NOT put them in the regular trash.
- 15. NO ALCOHOLIC BEVERAGES MAY BE CONSUMED ON THE FIRING LINE.** Persons under the influence of alcohol or drugs are not permitted on any firing line. ALCOHOL CONSUMPTION IS STRICTLY FORBIDDEN ON THE RIFLE AND HANDGUN RANGES. The Trapmaster may allow alcoholic beverages at the clubhouse on the shotgun side.
- 16. Respect those around you!** Keep ALL pets on a leash or contained at all times. Pets are NOT allowed on any firing line or shotgun station at any time. Behavior that disturbs or distracts others is dangerous and prohibited. Follow the RULES specific to any range, field or event. Comply immediately with direction from the Rangemasters, Trapmasters or event chairs. Your life and the safety and lives of those around you depend on it.
